Graduate Certificate in Teaching Elementary Education

We look forward to supporting you through the application process. This checklist is a resource designed to support your next steps.

Application Deadlines: Summer (Feb 1)

Step 1: Apply to RTR Teacher Residency: There are Fall and Spring interview options listed on the website. In order to be reviewed for eligibility, create an account and upload your transcripts to the RTR Teacher Residency application.

Step 2: Testing requirement: Passing scores for VCLA and Praxis Elementary testing requirements. See website for threshold score requirements.

If accepted to the RTR Teacher Residency program, you will apply through the VCU Graduate Application process.

Step 1: Online application: Create your online graduate application account. Choose the year that aligns with your expected start semester: https://www.vcu.edu/admissions/apply/graduate/

Step 2: Statement of Intent: VCU requires that prospective students provide a written statement of purpose for all graduate program applicants. Please review the application resources, including statement of intent suggestions on this page of our School of Education website.

Step 3: References: The system has an area for you to submit the names and emails of three letters of reference. Select a “Due Date” anytime before the deadline. You can use the “Notes” area to share what you would like your references to highlight to support your statement of intent or other areas of your application.

Step 4: Transcripts: You can upload PDF copies of your unofficial transcripts for the review/decision process. You will be required to submit official academic transcripts from all institutions you have attended in order to enroll. If you have completed a program at VCU, if you have unofficial copies, please upload these to expedite the process, if not, admissions will manually pull your transcripts. Please mail your official transcripts to the following mailing or email address:

Virginia Commonwealth University
E-Transcripts: gradmail@vcu.edu
Office of Graduate Admissions, Box 843051 / Richmond, Virginia 23284-3051

Step 5: Submit application fee and push submit: Please submit the application fee in order to submit your application.

Step 6: Receiving and accepting your admissions decision: You will receive an email recommending you for admission from your Department. Your official admissions letter will come from VCU graduate admissions virtually and physically. Upon receipt of the official letter from VCU, you must email respondgrad@vcu.edu to confirm your acceptance into the program. This will allow the system to create a formal account that will allow you to register.

Step 7: Review the Accepted Graduate Student Checklist for critical next steps as you transition to VCU.
