

Table 2. Program Characteristics

a. Complete this table of program characteristics by entering the information requested for every program or program option offered by the EPP. Cross check the list with the programs listed in the EPP's academic catalog, if any, as well as the list of state-approved registered programs, if applicable. Site Visitors will reference this list in AIMS during the accreditation review process.

Note: EPP is responsible for ensuring the accuracy of the data imported into this table.
