NEW PROGRAMS, PATHWAYS & PROFESSIONAL LEARNING WITH VCU

We want to partner with you to bolster our teacher preparation programs, pathways, and professional learning with a focus on impacting our local schools.

Through our strategic plan, we will focus on student success by embracing regional diversity while emphasizing equity, inclusion, and culturally responsive practice to best support our highest needs schools, particularly those in urban and historically marginalized areas.

In addition to our national rankings, we now offer:

New Undergraduate Programs
- Launching 5 new Bachelor of Science in Education degree programs leading to initial licensure.

Career Switcher Program
- Attaining full licensure for prospective teachers who come from other careers.

Substitute Teaching the VCU Way
- Adding teachers to the substitute teaching pool for hard to staff schools.

Innovative Teacher Pipeline
- Training pre-service teachers to support excellence & equity particularly for Black and LatinX school children.

Alumni Induction Support
- 2 years of culturally responsive career coaching for VCU graduates in Title I schools.

Office of Strategic Engagement
- Customized professional learning focused on excellence & equity particularly for Black and LatinX school children.

Join our efforts to prepare educators for success and IMPACT in our highest needs schools and communities, particularly those in urban and historically marginalized areas.
